

ORDINANCE NO. 08-4183

AN ORDINANCE OF THE MAYOR AND BOARD OF ALDERPERSONS OF THE CITY OF BASTROP, LOUISIANA, PROVIDING FOR THE LICENSING AND REGULATION OF SEXUALLY ORIENTED BUSINESSES AND EMPLOYEES, AND OTHERWISE PROVIDING WITH RESPECT THERETO.

WHEREAS, sexually oriented businesses require special supervision from the public safety agencies of the City of Bastrop, Louisiana ("City") in order to protect and preserve the health, safety, morals and welfare of the patrons of such businesses as well as the citizens of the City; and

WHEREAS, the Mayor and Board of Alderpersons find that sexually oriented businesses are frequently used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature; and

WHEREAS, the concern over sexually transmitted diseases is a legitimate health concern of the City which demands reasonable regulation of sexually oriented businesses in order to protect the health and well-being of the citizens; and

WHEREAS, licensing is a legitimate and reasonable means of accountability to ensure that operators of sexually oriented businesses comply with reasonable regulations and to ensure that operators do not knowingly allow their establishments to be used as places of illegal sexual activity or solicitation; and

WHEREAS, there is convincing documented evidence that sexually oriented businesses, because of their very nature, have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them, causing increased crime and the downgrading of property values; and

WHEREAS, it is recognized that sexually oriented businesses, due to their nature, have serious objectionable operational characteristics, particularly when they are located in close proximity to each other, thereby contributing to urban blight and downgrading the quality of life in the adjacent area; and

WHEREAS, underage performers have been used in sexually oriented entertainment, both in films and in live performances; and

WHEREAS, the Mayor and Board of Alderpersons desire to minimize and control these adverse effects and thereby protect the health, safety, and welfare of the citizenry; protect the citizens from increased crime; preserve the quality of life; preserve the property values and

character of surrounding neighborhoods and deter the spread of urban blight; and

WHEREAS, the Mayor and Board of Alderpersons have determined that locational criteria alone do not adequately protect the health, safety, and general welfare of the people of this City; and

WHEREAS, it is not the intent of the Mayor and Board of Alderpersons to condone or legitimize the distribution of obscene material, and the Mayor and Board of Alderpersons recognize that state and federal law prohibits the distribution of obscene materials and expects and encourages state law enforcement officials to enforce state obscenity statutes against any such illegal activities in the City; and

WHEREAS, the City recognizes its constitutional duty to interpret, construe, and amend its laws and ordinances to comply with constitutional requirements as they are announced; and

WHEREAS, with the passage of any ordinance, the City and the City Council accept as binding the applicability of general principles of criminal and civil law and procedure and the rights and obligations under the United States and Louisiana Constitutions, Louisiana Code, and the Louisiana Rules of Civil and Criminal Procedure; and

WHEREAS, it is not the intent of this ordinance to suppress any speech activities protected by the First Amendment of the U.S. Constitution or Article I, § 7 of the Louisiana Constitution, but to enact a content neutral ordinance which addresses the negative secondary effects of sexually oriented businesses.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Board of Alderpersons of the City of Bastrop, Louisiana, as follows:

Section 1. Sections 13-301 through 13-320 of the Code of Ordinances of the City of Bastrop, Louisiana are hereby enacted to read as follows:

Chapter 13

Section 301. Purpose and findings.

(a) Purpose. It is the purpose of this Chapter to regulate sexually oriented businesses in order to promote the health, safety, morals, and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the City. The provisions of this Chapter have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this Chapter to restrict or deny access by adults to sexually oriented materials protected by

the First Amendment to the United States Constitution or the corresponding provisions of the Louisiana Constitution, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this Chapter to condone or legitimize the distribution of obscene material.

E 3750; and reports of secondary effects occurring in and around sexually oriented businesses, including, but not limited to, Phoenix, Arizona - 1984; Minneapolis, Minnesota-1980; Houston, Texas - 1997; Indianapolis, Indiana - 1984; Amarillo, Texas - 1977; Garden Grove, California -1991; Los Angeles, California -1977; Whittier, California -1978; Austin, Texas -1986; Seattle, Washington -1989; Oklahoma City, Oklahoma -1986; Cleveland, Ohio -1977; and Dallas, Texas -1997; St. Croix County, Wisconsin -1993; Bellevue, Washington, - 1998; Newport News, Virginia - 1996; New York Times Square study - 1994; Phoenix, Arizona - 1995-98; and also on findings of physical abuse from the paper entitled "Stripclubs According to Strippers: Exposing Workplace Sexual Violence," by Kelly Holsopple, Program Director, Freedom and Justice Center for Prostitution Resources, Minneapolis, Minnesota, and from "Sexually Oriented Businesses: An Insider's View," by David Sherman, presented to the Michigan House Committee on Ethics and Constitutional Law, Jan. 12, 2000, and the Report of the Attorney General's Working Group On The Regulation Of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the Council finds:

(1) Sexually oriented businesses lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled by the unlicensed operators of the establishments. Further, there is presently no mechanism in this City to make the owners and operators of these establishments responsible for the activities that occur on their premises.

(2) Some employees of unregulated sexually oriented businesses defined in this ordinance as adult theaters and cabarets engage in higher incidence of certain types of illicit sexual behavior than employees of other establishments.

(3) Sexual acts, including masturbation, and oral and anal sex, occur at unregulated sexually oriented businesses, especially those which provide private or semi-private booths or cubicles

for viewing films, videos, or live sex shows.

(4) Offering and providing such unregulated space encourages such activities, which creates unhealthy conditions.

(5) Some persons frequent certain adult theaters, adult arcades, and other sexually oriented businesses for the purpose of engaging in sex within the premises of such sexually oriented businesses, or for the purpose of purchasing or selling illicit drugs.

(6) Numerous communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis salmonella, campylobacter and shigella infections, chlamydial, myoplasmal and ureoplasmal infections, trichomoniasis and chancroid.

(7) According to research from the Kaiser Family Foundation, an estimated 650,000 to 900,000 Americans are infected with HIV. The number of new HIV infections occurring each year is now about 41,000. Men and women of all races are most likely to be infected by sexual contact.

(9) The Centers for Disease Control and Prevention estimate that as many as 1 in 3 people with HIV/AIDS do not know they are infected.

(10) The number of cases of early (less than one year) syphilis in the United States reported annually has risen, with 33,613 cases reported in 1982 and 45,200 through November of 1990.

(11) The number of cases of gonorrhea in the United States reported annually remains at a high level, with over one-half million cases being reported in 1990.

(12) The surgeon general of the United States in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.

(13) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts. See, e.g. Findings of U.S. Dept. of Health & Human Services.

(14) Sanitary conditions in some sexually oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.

(15) Numerous studies and reports have determined that semen is found in the areas of sexually oriented businesses where persons view "adult" oriented films.

(16) The findings noted in paragraphs number 1 through 15 raise substantial governmental concerns.

(17) Sexually oriented businesses have operational characteristics that should *be* reasonably regulated in order to protect those substantial governmental concerns.

(18) A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and the operators of the sexually oriented businesses. Further, such a licensing procedure will place a heretofore nonexistent incentive on the operators to see that the sexually oriented business is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually oriented business, fully in possession and control of the premises and activities occurring therein.

(19) Removal of doors on adult booths and requiring sufficient lighting on premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in adult theaters.

(20) Requiring licensees of sexually oriented businesses to keep information regarding current employees and certain past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects and by preventing minors from working in such establishments.

(21) The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of the sexually oriented business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually transmitted diseases and will prevent the further secondary effects of dissemination of illegal obscenity, child pornography, and to minors, materials harmful to them;

(22) It is desirable in the prevention of the spread of communicable diseases to obtain a limited amount of information regarding certain employees who may engage in the conduct which this ordinance is designed to prevent or who are likely to be witnesses to such activity.

(23) The fact that an applicant for an adult use has been convicted of a sexually related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this ordinance.

(24) The barring of such individuals from employment in sexually oriented businesses for a specified period of years serves to prevent distribution of illegal material, to prevent conduct which leads to the transmission of sexually transmitted diseases, and to preclude the establishment of criminal enterprises within the City.

(25) The general welfare, health, morals and safety of the citizens of the City will be promoted by the enactment of this ordinance.

(5) The licensee has knowingly allowed any specified sexual activity to occur in or on the licensed premises.

(c) The fact that a conviction is being appealed shall have no effect on the revocation of the license.

(d) **Nature of Revocation.** When, after the notice and hearing procedure described in Section 311, the Hearing Officer revokes a license, the revocation shall continue for one (1) year and the licensee shall not be issued a sexually oriented business license or sexually oriented business employee license for one (1) year from the date revocation becomes effective, provided that, if the conditions of Section 311 (b) are met, a Provisional License will be granted pursuant to that section. If, subsequent to revocation, the Chief of Police finds that the basis for the revocation based on subsection (b)(1) of this section has been corrected or abated, the applicant shall be granted a license if at least ninety (90) days have elapsed since the date the revocation became effective. If the license was revoked under subsections (b)(2), (b)(3), (b)(4) or (b)(5) of this section, an applicant may not be granted another license until at least one (1) year has elapsed.

Section 311. Hearing; denial, revocation, and suspension; appeal.

(a) If the Chief of Police determines that facts exist for denial, suspension, or revocation of a license under this chapter, the City shall notify the applicant or licensee (respondent) in writing of the intent to deny, suspend or revoke the license, including the grounds thereof, by personal delivery, or by certified mail. The notification shall be directed to the most current business address or other mailing address on file with the Chief of Police for the respondent. Within ten (10) working days of receipt of such notice, the respondent may provide to the Chief of Police a written response that shall include a statement of reasons why the respondent believes the license should not be denied, suspended, or revoked.

(b) Within five (5) days of the receipt of respondent's written response, the Chief of Police shall notify respondent in writing of the hearing date on respondent's denial, suspension, or revocation proceeding. Within ten (10) working days of the receipt of respondent's written response, the Hearing Officer shall conduct a hearing at which respondent shall have the opportunity to present all of respondent's arguments and to be represented by counsel, present evidence and witnesses on his or her behalf, and cross-examine any of the City's witnesses. The City shall also be represented by counsel, and shall bear the burden of proving the grounds for deny, suspending, or revoking the license. The hearing shall take no longer than two (2) days, unless extended to meet

the requirements of due process and proper administration of justice. The Hearing Officer shall issue a written opinion within five (5) days after the hearing.

(c) If a court action challenging the City's decision is initiated, the City shall prepare and transmit to the court a transcript of the hearing within ten (10) days after the issuance of the Hearing Officer's written opinion. If a response is not received by the Chief of Police in the time stated or, if after the hearing the Hearing Officer finds that grounds as specified in this Ordinance exist for denial, suspension, or revocation, then such denial, suspension, or revocation shall become final five (5) days after the Hearing Officer sends, by certified mail, written notice to the respondent that the license has been denied, suspended, or revoked. Such notice shall include a statement advising the respondent of the right to appeal such decision to a court of competent jurisdiction. If the Hearing Officer finds that no grounds exist for denial, suspension, or revocation of a license, then within five (5) days after the hearing, the Hearing Officer shall order the Chief of Police to immediately withdraw the intent to deny, suspend, or revoke the license and to notify the respondent in writing by certified mail of such action. The Chief of Police shall contemporaneously therewith issue the license to the applicant.

(d) When a decision to deny, suspend or revoke a license becomes final, the applicant or licensee (aggrieved party) whose application for a license has been denied or whose license has been suspended or revoked shall have the right to appeal or challenge such action to any court of competent jurisdiction. Upon the filing of any court action to appeal, challenge, restrain, or otherwise enjoin the City's enforcement of the denial, suspension, or revocation, the City shall immediately issue the aggrieved party a Provisional License. The Provisional License shall allow the aggrieved party to continue operation of the sexually oriented business or to continue employment as a sexually oriented business employee and will expire upon the court's entry of a judgment on the aggrieved party's appeal or other action to restrain or otherwise enjoin the City's enforcement.

(e) Application of Ordinance During Temporary License or Provisional License Periods. Sexually oriented businesses or sexually oriented business employees operating or working under Temporary Licenses (as provided for in Section 305(a)), Provisional Licenses (as provided for in Section 311(b)), or *De Facto* Temporary Licenses (as provided for in Section 317) shall be subject to the provisions of Section 312, Section 313, Section 314, Section 315, Section 317, and Section 318 of this Ordinance.
